Membership of Implementation Boards

Document 19

As approved at GEO-XI.

Membership of Implementation Boards

The 2015 membership of the Infrastructure Implementation Board and the Institutions & Development Implementation Board are presented below (note that members of the Societal Benefits Implementation Board are renewed through a different process).

As recommended by GEO-IX, the process for producing this new membership was overseen by the Executive Committee. Details of this process may be found in Document [16](#) of the 31st Session of the Executive Committee.
