Preliminary useful information for CEOS Plenary participants

At the YUL Montréal-Trudeau airport

The 747 runs 24 hours a day, 7 days a week, between the airport and Berri-UQAM metro station (Bus Terminus, downtown Montreal).

You can also get a ride with Uber reserve or a cab.

Event venue, accommodation, and transportation

The Plenary will be held at the John H. Chapman Space Center located on the outskirts of the MET – Montreal Metropolitan Airport, an industrial zone 20km from downtown Montréal, in Saint Hubert.

The hotel and venues chosen for our social activities program have different locations and traffic can be heavy.

Transportation will be offered every morning and at the end of the day during the Plenary only between the Sandman hotel and the JHC Space Center. In addition, transportation is offered between the Sandman hotel, the JHC Space Center, and the social activities venue.
