

2024 CEOS Strategic Implementation Team Technical Workshop (2024 SIT TW)

Objectives & Agenda

17 – 19 September 2024

Sydney, Australia

HYBRID MEETING – Remote Connection Details on Last Page

**** ATTENDANCE AS PART OF OFFICIAL CEOS AGENCY DELEGATION ONLY ****

The CEOS SIT Technical Workshop and its associated side meetings are intended to focus on problem-solving at the working level and preparing the CEOS material for decision-making at the CEOS Plenary. The Workshop agenda for 2024 seeks to convene technical experts and scientists from across the CEOS structure and activities to provide an opportunity for working-level task coordination and preparation for the 2024 CEOS Plenary, which will be held four weeks later.

As well as informational presentations and updates for the following topic areas, specific objectives for the SIT Technical Workshop 2024 include:

1. Climate Policy Impact

- a. Discuss the ongoing UNFCCC Global Stocktake (GST) lessons learned study and consider the impact on the CEOS GST Strategy and CEOS targets for the second UNFCCC Global Stocktake.
- b. Discuss how to ensure cohesion of the three individual CEOS Carbon Roadmaps (AFOLU, GHG, Aquatic).

2. Greenhouse Gas Observation Coordination

- a. Review and discuss the update of the CEOS-CGMS Greenhouse Gas Roadmap ahead of its potential endorsement at the 2024 CEOS Plenary.
- b. Review the content and next steps for the Greenhouse Gas Best Practices document.

3. Agriculture, Forestry and Other Land Use (AFOLU)

- a. Review progress on the CEOS AFOLU Roadmap and discuss the finalisation of the action supplement, action assignments, and the LSI-VC framework for tracking the actions.

4. Biodiversity

- a. Review and discuss the outcomes of the Ecosystem Extent Task Team (EETT) Demonstrator activities ahead of their presentation at CEOS Plenary 2024 and consider proposed next steps.
- b. Review the draft *“Joint Communiqué on Enhanced International Cooperation for Biodiversity”* ahead of CEOS Plenary.
- c. Discuss a proposal for a sustained presence of biodiversity in CEOS.

5. Working Group Priority Topics

- a. Starting with the assessment undertaken by **WGDisasters**, discuss the extent of potential CEOS collaboration with WMO on the United Nations’ Early warnings for all (EW4All) initiative.
- b. Report on **WGISS** progress towards the second edition of the CEOS Interoperability Handbook.
- c. **WGClimate**: Review and discuss the draft CEOS-CGMS Statement to UNFCCC COP 29 SBSTA 61.
- d. Review status of expected Working Group Vice Chair nominations (**WGCV**, **WGClimate**) to be presented at CEOS Plenary for endorsement.

6. Virtual Constellation Priority Topics

- a. **Ocean Surface Topography (OST-VC)**: User Requirements Document update.
- b. **Precipitation (P-VC)**: Discuss recommendations from the recent International Precipitation Working Group (IPWG) meeting and the state of continuity for passive microwave radiometer measurements of precipitation; provide an update on precipitation CEOS-ARD.

- c. **Coastal Observations Applications Services and Tools (COAST-VC):** Hold a discussion regarding enhancing remote sensing observations as a focus of the United Nations' Ocean Decade activities.
- d. **Sea Surface Temperature (SST-VC):** Review a joint SST-VC and COAST-VC statement recommending masking requirements in coastal areas for upcoming SST missions.
- e. **Ocean Colour Radiometry (OCR-VC):** Review and discuss progress on the CEOS Aquatic Carbon Roadmap.

7. Other Business

- a. Discuss recent external requests received by the **CEOS Sustainable Development Goals (SDG) Coordination Group** (UNCCD, UN-WGII IAEG-SDG).
- b. Discuss the status of CEOS support for the SDG Coordination Group (Ref: Action SIT-39-15).
- c. **CEOS-ARD Oversight Group:** Discuss the updated CEOS-ARD Strategy 2024 ahead of its presentation for endorsement at CEOS Plenary.
- d. Consider CEOS interaction with the GEO Post-2025 Work Programme.
- e. Discuss the opportunity of the **2025 United Nations Ocean Conference (UNOC)**.
- f. Review and discuss the **2025 CEOS Chair themes** and **CEOS Chair nominations for 2026+**
- g. Confirm the **objectives for the 2024 CEOS Plenary** and preview the **2024 CEOS Plenary Montréal Statement**.

Week at a Glance

The SIT Technical Workshop will take place over two days, September 18-19, and will be preceded by a side meeting day on September 17. A 'Week at a Glance' overview can be found below.
