

# IGOS-P Update

Barbara J. Ryan, USGS  
On behalf of CEOS

## Status of the Partnership and Its Themes

- Partner approval of the plan to transition IGOS-P Themes to GEO was reported at SIT-20.
- Transition progress ahead of the GEO Plenary was excellent, and the Partners adopted a resolution at IGOS-P-14bis that -
  - Promised their continued support of the Themes in their new GEO home.
  - Would close the Partnership at the end of IGOS-P-15.
- Co-Chairs' ***Report on IGOS-P Status*** at the GEO Plenary in Cape Town was well received.

## IGOS-P-15 and Beyond

- IGOS-P-15 will be held in Paris on May 28 to -
  - Confirm the success of Themes transition to GEO.
  - Conclude its final business.
  - Offer a toast to the IGOS Partnership.
- A meeting is scheduled prior to IGOS-P-15 to begin planning for a *Symposium of Celebration* that will be held in the coming months to -
  - Celebrate the contributions of the IGOS Partnership.
  - Recognize the many accomplishments of the Themes.
  - Highlight the value which the Themes bring to GEO.
