WGCV Current Action Items

	wood of the trans	0 .
WGCV26-1	WGCV Secretariat to maintain a "WGCV suggested	Ongoing
	cal/val practices" web page as depository for the	(the central panel on
	materials generated by WGCV. The materials will be	the WGCV web
	transferred to the Cal/Val Portal when appropriate.	page)
WGCV27-1	WGCV Subgroup Chairs (SG) to review with the SG	Ongoing
	members the list of GEO tasks in which WGCV is	
	participating (WGCV Sec. to distribute updates as they	
	become available), and to generate a summary of the	
	activities in which the members are participating,	
	relevant to the listed GEO tasks.	
WGCV27-2	WGCV Secretariat, to contact the CEOS constellation	Ongoing
	leads and request that the constellation teams evaluate	0.1180.118
	their cal/val requirements and offer WGCV support.	
WGCV29-1a	Regarding "Dome C, Phase 2 Instrument Inter-	November/December,
	comparison": IVOS (Nigel Fox) develop protocols for	2008
	instrument inter-comparison and notify participating	completed
	agencies (ESA, NASA, NOAA, CSA, and SG chairs).	
WGCV29 – 1b	Regarding "Dome C, Phase 2 Instrument Inter-	December 08-January
	comparison": Participating CEOS agencies collect	09 timeframe
	satellite data over Dome C in the December/January	
	timeframe. WGCV/IVOS (Nigel Fox) to coordinate.	
WGCV29-2	Regarding the "Miami Instrument Inter-comparison":	December 2008
WGCV29-2	Regarding the "Miami Instrument Inter-comparison": IVOS (Nigel Fox) provide to CEOS/SIT (Brent Smith):	
WGCV29-2	IVOS (Nigel Fox) provide to CEOS/SIT (Brent Smith):	December 2008 completed
WGCV29-2	IVOS (Nigel Fox) provide to CEOS/SIT (Brent Smith): Cover letter of relevance to CEOS, Unsolicited Proposal,	
WGCV29-2	IVOS (Nigel Fox) provide to CEOS/SIT (Brent Smith): Cover letter of relevance to CEOS, Unsolicited Proposal, Itemized budget and Budget Justification. They are to be	
WGCV29-2	IVOS (Nigel Fox) provide to CEOS/SIT (Brent Smith): Cover letter of relevance to CEOS, Unsolicited Proposal, Itemized budget and Budget Justification. They are to be forwarded to NASA (Chris Blackerby), NOAA (Mary

WGCV29-7	Pascal Lecomte, inquire with Christopher Buck – MWSG chair, about Xiaolong Dong becoming a Cochair for the group.	Completed.	
WGCV29-8	CNES (Patrice Henry) provide a report on BRDF for Dome C and Desert sites to WGCV.	WGCV30	
WGCV-9	WGCV members – agencies contribute to the cal/val portal information regarding the test sites characterization. List of sites to be made available on cal/val portal.	WGCV30	
WGCV29-10	WGCV, WGISS and LSI – put together a study to achieve a coordinated quality index for land cover products.	WGCV30	
TBDs: Below are listed "future" action items which are not ready yet. Keep in mind and follow up with Martha Maiden and the WGCV members.			
WGCV29-11	WGISS and WGCV work jointly to establish a mechanism for making data available for test sites - WGCISS and WGCV extracts for future cal/val and LPV sites, considering the metadata and assoc. guidelines.	TBD	
WGCV-12	WGCV and WGISS chairs to determine the mechanism for extracts for sites, considering the metadata and associated guidelines.	TBD
